

GSS SECURITY SERVICES, INC.

Security Awareness Training Seminars (Explosive Devices/Weapons of Mass Destruction)

WHO ARE THEY FOR?

GSS Security Services, Inc., one of the world's leading domestic and international security firms, is now making available special Security Awareness Training Seminars. These are primarily geared for security companies, business owners or management personnel. This training will help your existing security resources become more productive and increase your level of protection through training.

WHAT YOU'LL LEARN...

1. The numerous types of devices that exist.
2. How to handle and react to a threat.
3. Plans to prepare for incidents.
4. Notifications/Responses.
5. Individual Roles during threats/incidents.
6. Various levels of threats.
7. What to do if a threat is received by phone.
(How to take document info on the call/caller)
8. Physical Security Plan - to minimize threat level and increase safety for employees and tenants.
9. Bomb Threat/Incident Plan - Outline procedures during threat or incident.

* HANDOUTS WILL BE PROVIDED FOR ALL STUDENTS
